

# NOVOKOWSKY CONSULTING: FROM FUNDAMENTALS TO MASTERY

## ABOUT US

### Background

Novokowsky Consulting Group is a network of talented consultants in Canada and the United States. Since 1992 we have worked internationally to help people overcome their issues, capitalize on their strengths, and realize more of their potential.

Bernie Novokowsky is the principal consultant, who often works smaller contracts solo. When the magnitude of the work requires additional or different talent he will draw from his proven network of other independent consultants -- affiliates respected for their unique abilities. Thus, you as a client get *only* seasoned professionals without having to indirectly bear the overhead burden cost that comes with larger firms.

### A Few Caveats

We are... We do...	We are NOT... We do NOT...
<ul style="list-style-type: none"><li>• We are committed to the timeless and proven principles, patterns, and practices that work.</li></ul>	<ul style="list-style-type: none"><li>• We do not subscribe to the latest fad or fashion in the consulting industry, e.g., certified coaching of today or the blind fervor obsession with TQM last decade.</li></ul>
<ul style="list-style-type: none"><li>• We do appreciate the need for energizing and influencing actions, and offer "substance" that demands you do the investment to get your needed returns.</li></ul>	<ul style="list-style-type: none"><li>• We are not about "sizzle"; for example, trite motivational assertions, which may momentarily entertain you -- only to realize later it has not addressed your need.</li></ul>
<ul style="list-style-type: none"><li>• We look to you to meet our standards of selection, just as we need to meet your standards before contracting.</li></ul>	<ul style="list-style-type: none"><li>• We are not a consulting firm for everyone; we do not take on all requests for work.</li></ul>
